Yankee and it is thought that almost the was taken to Alexian Brothers' entire amount was abstracted hospital. from the money paid in to him during October. Large as the defalcation is it is less than a quarter of the month's receipts.

His big defalcation will, however, not cause more than a moment's ripple in the fivancial affairs of the benevolent order, for he is under bonds of \$75.000 from the Fidelity and Casualty company.

Beyond this, however, the order has a surplus fund of over 500,000 invested in governe and municipal bonds, even a complete loss int easily could be and it has almost

essment were necessary it would cost the individual members only about 20 cents each.

The news of the shortage cau. I great surprise, because Mr. Thompson had always been accounted a man of great wealth, and the confidence of his fellow Maccabees in him was unlimited.

As supreme finance keeper he handled all the monthly receipts of the order, and since last July when a change was made in the business methods of the order, he had had fuller control of the ty-four years of age and deaf, man. IMMORAL SUASION.

C. B. TIBBETTS It Has Certain Advantages Over The Milder Moral Method.

Moral suasion, the appeal to the ra-tional nature of man, is doubtless a very good thing. But it will not compare with immoral suasion for inducing swiftness of thought or promptness of action.
The burglar surprised in his raid and requested to "please go away" will argue the case in the forceful burglar way. But when a pistol is pushed in his face with the laconic order, "Get!" he goes and stands not on the order of his going. The pistol, with its six solid arguments, is a wonderful persuader, and

It is a reflection on man's reason that

he often refuses to do what common sense dictates, until he is forced to do

it. Common sense tells a man that he cannot live irregularly and keep his health. He is warned and admonished

time and again that hasty eating and irregular meals result in diseases of the

stomach and other organs of digestion

and nutrition. But because Nature does

not directly threaten his life as the pistol

does he goes right along until he is obliged to reform because disease forces him to do so.

UNHEEDED WARNINGS.

It is only when all her warnings have been unheeded that Nature no longer

says "You should not" but "You shall not." This is practically what happens when the lover of high living has to give up dainty dishes, sweets and condiments and come down to a diet of oatmeal or

There are thousands of dyspeptics whose condition shuts them out from all

"I have been thinking of writing to you for some time," writes Mrs. W. D.

Benson, of Maxton, Robeson Go., N. C.,
wto let you know what a wonderful
thing Dr. Pierce's Golden Medical Discovery did for my little boy. He was
taken with indigestion when he was a
year and a half old, and he was under

tea and toast.

the doctor's treatment for five long years. We spent all we made for doctor bills, and it did no good. When he would take a spell of indigestion he would lie for ten and fifteen days, and it seemed as though he would die. He had these spells every two or three weeks. He could not eat anything only a little milk and cracker, and sometimes even this would make him sick. He could not eat any meat or vegetables and he got very weak; could not sit up all day, and I gave up all hope of his ever getting any better. Three years ago I found one of your books, and on looking it over one day I noticed Dr. Pierce's Golden Medical Discovery recomended for indigestion. We bought some and gave it to our boy. He had been treated at Hood's Creek by a good doctor, and at Bennettsville, S. C., and at Currie, and Lumberton and Maxton, and was only relieved for a short time. We gave him two bottles of Dr. Pierce's Golden Medical Discovery

and it cured him. He is well as can be and can eat anything that he wants and it does not hurt him. He has not been sick a day since and it has been three years since he took your medicine. I can safely say that he is well." WHERE WILL IT END?

No one can say where the results of disease of the stomach and its allied organs will end. The stomach is the source of supply for each organ of the body. Whatever afe fects the stomach to reduce its strength and its ability to provide nutri-tion for the dependent organs will also affect the organs themselves. Heart, liver, lungs, kidneys, all must share the "weakness" of the stomach. When diseases of the stomach and other organs of digestion and nutrition are cured by the use of Dr. Pierce's Golden Medical Discovery, diseases of other organs originating in stomach "weakness" and

innutrition are cured at the same time. "I sent you a letter about a year ago," writes Mrs. J. Ellis Hamilton, of Farmington, Marion Co., West Va. "I stated my case as plainly as I could, and received a letter from you in a few days, telling me to use Dr. Pierce's Golden Medical Discovery and 'Favorite Pre-scription'—a bottle of each. I used three of each, and feel like a new woman. Don't suffer any pain or misery any more. Before using your medicines I suffered all the time-had jaundice, caused from food not digesting properly. I would have sick headache three and four times a week, and jaundice every four or five weeks. Could not do the work myself. I commenced using your medicines as recommended for liver complaint, and I am cured. I doctored three years without relief, only for a short time, and then I was as bad as ever. Haven't had sick headache since I took the first bottle of medicine." since I took the first bottle of medicine." There is no alcohol in "Golden Medical Discovery," and it is absolutely free from

ium, cocaine and all other narcotics. A FULL TABLE. The table of contents, of Dr. Pierce's Common Sense Medical Adviser, offers Common Sense Medical Adviser, offers a wide range for the thoughtful or the curious reader. In the 1008 large pages of this remarkable book have been condensed the sum of human knowledge upon the vital truths of biology, physiology and hygiene. It is full of helpful household hints on home medicine and treatment. Among its 700 illustrations are pictures of medicinal herbs and instructions as to their value and preparation for use. The book is a mine of valuable knowledge, and it is sent absolutely free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper-covers. Address Dr. R. V. Pierce, Buffalo, N. Y.
